## **Notes to help you complete the SIF**

### **1. Catholic Looked After and Previously Looked After**

A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order. Included in this definition are those children who appear to the Governing Body to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

### **2. Catholic Attending Catholic Feeder School**

For the purposes of this admission policy, attendance at a feeder primary school includes those who were prevented from attending a feeder school due to oversubscription of Catholics and whose application to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.

### **3. Evidence of Catholic Baptism**

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

The Governing Body may request additional supporting evidence if the written documents that are provided do not clarify the fact that the child was baptised or received into the Catholic Church, eg where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.

### **4. Other Looked After**

A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order. Included in this definition are those children who appear to the Governing Body to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

## **5. Evidence for Catechumens**

If application is being made for a place at the school for a catechumen evidence of their being a member of the catechumenate of a Catholic Church will be required. A certificate of reception into the order of catechumens should be provided at the same time as this form is returned to the school.

## **6. Evidence of Membership of an Eastern Christian Church**

If application is being made for a place at the school for a member of an Eastern Christian Church, including Orthodox Churches, evidence of membership will be required. A certificate of baptism or reception from the authorities of that Church should be provided at the same time as this form is returned to the school.

## **7. Member of other Christian Denomination**

“Children of other Christian denominations” means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

## **8. Member of other faith**

Children of other faiths means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

## **9. ‘Sister’ includes:**

- (i) all natural sisters, or half sisters, adopted sisters, sisters, foster sisters, whether or not they are living at the same address; and
- (ii) the daughter of a parent’s partner where that child for whom the school place is sought lives for at least part of the week in the same family unit at the same address as the applicant.

## **10. A 'parent'**

means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

## **11. A child's "home address"**

refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Supplementary Information Form ("SIF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the SIF, provided that the child resides at that address for any part of the school week.

For families of service personnel with a confirmed posting, or crown servants returning from overseas, we will allocate a place in advance of your family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date.
