

WHY KEEP IN TOUCH?

We want to stay in touch with you to hear about all the great things you go on to do! Signing up to our school alumni network will only take a few minutes.

Here are some reasons why you should stay connected:

Building your CV

Whether you've started thinking about it now, or you need a helping hand in the future, your old teachers might be able to offer advice/opportunities to gain work experience and learn new skills.

Staying connected

Updates on upcoming events and all the latest news sent directly to your inbox or mobile.

Getting a job

Your school might find out about jobs you could apply for and other interesting opportunities to get involved with. This can save your time trawling the internet!

Giving something back

Just because you've left, it doesn't mean you have to stop getting involved in the things you enjoy. For instance, you could get involved with coaching your old football team, help out directing a play or editing the termly magazine.

Helping others

Would you have benefitted from hearing from former students in jobs while you were at school? Keep in touch and a little further down the line, you might want to come back and talk about your experiences to students in your old seat!

Asking for a reference

If you stay in touch now, your old teachers might be able to help you out getting your dream job in the future by providing references.
